

MAKING MIRACLES 4 KIDS

Sponsor/Donor
Packet
2024

Dear Potential Sponsor/Donor,

Making Miracles 4 Kids would like to invite you to be apart of a high school mini dance marathon. A mini dance marathon benefits the nearest Children's Miracle Network Hospital to the high school. The high school will hosts many different events throughout the year leading up to their main event, the mini dance marathon. It is our hope that you will help us make miracles happen by partnering with us to change the lives of children and their families.

Mini dance marathons raise funds that go directly towards hospital charitable care, research and treatments, advancement services, patient services, equipment, and education. The goal is to ensure that no family has to travel outside their home state to be treated.

Making Miracles 4 Kids is hoping that your organization will help a high school reach their goal of raising money for the kids, while we help promote your business. We believe your organization is extremely valuable to the community and because of that, we want you to join a high school!

In the following pages, you will find more information about a mini dance marathon, as well as information detailing community sponsorship levels. Making Miracles 4 Kids and the high school would be happy to meet with you to further discuss the many mutually beneficial ways to partner with a mini dance marathon.

Your monetary sponsorship or donation will 100% go towards the high schools mini dance marathons grand total. Non-monetary or in-kind donations are also very appreciated. Examples of what would be best donated are

- Food and drinks
- Games
- Auction Items
- Decorations
- Gift Cards
- Apparel Items

These are just a few ideas! Mini dance marathons are open to many different kinds of donations.

If interested in discussing a sponsorship or donation please contact Daryn Polzin by email at daryn@makingmiracles4kids.com
